

Stroke Support Group

Have you had a stroke? You are not alone.

In the US, there are more than six million stroke survivors. Like so many others, you may have unique needs and interests, as well as questions. Open to all stroke survivors, family members and friends, Brigham and Women's Faulkner Hospital's Stroke Support Group is a way for you to meet other stroke survivors and caregivers who understand just what you're going through.

To learn more and register, contact:

Stacy Jagher, MSW, LICSW
